## HOW TO MEASURE

No diagram available

### CHEST 1

Measure the chest width of the jacket

#### STEP-BY-STEP INSTRUCTIONS

1. Lay the jacket flat on a smooth surface
2. Zip up the front zipper
3. Smooth out any wrinkles
4. Locate the fullest point of the chest
5. Place measuring tape horizontally across the chest
6. Measure from side seam to side seam
7. Record the measurement in centimeters

#### Tips

- Ensure jacket is fully zipped
- Measure at the widest point of chest

#### Common mistakes

- Measuring with jacket unzipped
- Not measuring at fullest point
